About Hudson's Grill

Hudson's automobiles were an important part of everyday American life in the 1940's and 50's. They were reasonably priced, well built and fun to drive.

Many a Hudson traveled to the local diner for a burger after the Friday night football game, or to the drugstore soda fountain before the Saturday afternoon matinee. During the week, more were parked at the corner grill in the town square, their owners having a salad or chicken fried steak at lunch.

Today, we're committed to providing the same quality, service and fun that Hudson's always stood for - at reasonable prices.We believe in real value for your money, so our burgers are served with fries included. Our shakes and malts are so large, the overflow comes to you in the mixing can on the side. Our coffee is special too, and every meal ends with aTootsie Pop! We're very proud of our establishment, so if for some reason you aren't satisfied, please let us know so we can fix the problem. Thanks for joining us!

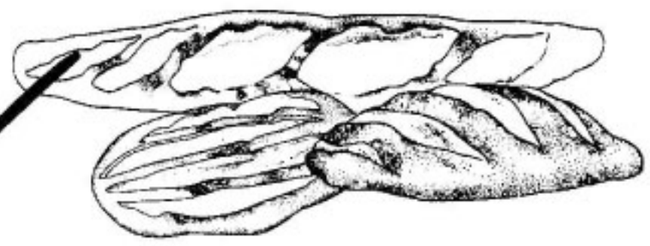
Call to find out our special Bread of the Day!

Try Our New Kringles & Scones!

Bread



Italian 16 oz.
A soft, chewy body is surrounded by a thin, crispy crust and is bursting with home baked flavor. This 16 oz. loaf is our best selling bread. Try dipping some in olive oil.

French Baguette 16 oz.
For those who crave more crust, we offer our 16 oz. Baguette. This classic bread is made with the same bread dough as our Italian but with twice the crust.

with Onion Poppy Seed

Country French 30 oz.
This is truly a bread with a history. Prepared the same way as a village baker might have done it over a thousand years ago, using only flour, water and sea salt. The dough is made from a starter that is refreshed daily. This bread is leavened only with the wild yeast spores that live in the air. With a thick, caramelized crust and a soft, chewy interior, this 30 oz. loaf will most certainly match any fine food it will accompany.

Cracked Wheat 24 oz.
A heavy loaf made of coarse ground wheat is wonderful for a sandwich or alone. With a soft crust and moist interior, even people who don't prefer wheat bread will enjoy this one.

Wheat, Raisin & Walnut 28 oz.
Using our cracked wheat formula, we've added plump juicy raisins, walnut meats and ground cinnamon. Great fresh, or try it toasted.

Sour Dough 24 oz.
Almost as popular as our Italian, this West Coast favorite is prepared with a starter more than a day ahead, with its journey from flour to oven taking close to 30 hours. If you like your bread sour, then this one's for you.

Chabatta 24 oz.
Absolutely the best toast you'll ever have. With an open grain body and a thin chewy crust, this bread is great plain but becomes outstanding when toasted. The crust becomes hard and crispy and the interior is full of flavor and slightly sour. Your eggs will never be the same.

Cracked Pepper, Garlic, & Swiss 24 oz.
This savory bread is loaded with chunks of Swiss cheese, fresh garlic and zesty cracked pepper. It makes a great snack or can be used to make the best ham sandwich you've ever tasted.

Jewish Rye 24 oz.
A classic rye bread made with a starter. With or without caraway seeds and surrounded by a thick chewy crust, this German bread is great for sandwiches or toasted.

Pumpernickel 24 oz.
For those who prefer a stronger rye flavor, we offer this hearty loaf, made in the same fashion as the Jewish Rye but with black rye flour and ground caraway. Your Reuben won't know what hit it.

7 Grain 24 oz.
A firm, moist bread which consists of 7 grains and seeds. The combination of the grains and seeds give this bread wholesome sunflower and corn taste.

Cinnamon Raisin 24 oz.
Made with our popular Italian bread dough. This slightly sweet bread is made with extra sugar, Saigon cinnamon and stuffed with plump California raisins.

Jalapeno & Cheddar 24 oz.
Rich Italian bread dough filled with cubed sharp cheddar cheese and pickled jalapeno peppers.

3-Seed 1 lb. 8 oz.
100% whole grain loaf made with millet, flax and sunflower seeds. The best choice for health conscious consumers.
